

From Branding to Digital Creatives and beyond...

Hobbs Creative Space is a full-service creative agency blending bold branding, graphic design, motion, digital illustration, and cinematic storytelling. Whether it's a powerful logo, a high-impact reel, or a beautifully captured brand shoot — we turn your vision into visual stories that resonate. Based in Dubai, we collaborate with local and global clients who value standout creativity.

Branding & Identity

Logos, brand strategy, brand books — everything your business needs to look and feel powerful.

Graphic Design

Posters, brochures, flyers, packaging, ads, and digital illustrations that are as functional as they are beautiful.

Motion Graphics

Logo animations, title reveals, explainer videos, reels, social animations — adding movement to your message.

Photography & Videography

From polished product shoots to cinematic brand videos, we bring your story to life frame by frame.

Social Media Designing & Content Creation

We turn your feeds into an experience.
